

Celebrate LCCA's 50th with Two Special U.P. Cars

Gold Ore and Black Gold

The 50-year Omaha convention may have been canceled, but that does not mean we are not celebrating the club's golden anniversary. Some lucky members can buy one, or both, of these very limited run Union Pacific LCCA 50th Anniversary cars. Both cars come in very special 50th Anniversary packaging and shipping is free! To order, call the LCCA Business Office at (815) 223-0115 or go to the LCCA website at lionelcollectors.org or complete and mail the form on the back inside cover of this issue.

The 2020 Convention Registration Gift Mint Car is 8 ½ inches long, takes O-27 minimum curves and will ship in August for \$179. The 2020 Convention On-site Uni-body tank car is 11 inches long, takes O-27 minimum curves, will ship in August and costs \$99. And both Lionel-built cars will look right at home behind the Lionel LCCA UP ET44AC 50th Anniversary Diesel! All of the special features are called out in the photos above.

These cars are being sold on a first come, first served basis. And when they are gone, they are gone forever. So, place your order for one, or both of these collector's items quickly.
